

**As we continue our mission to transform the lives of teen and young adult cancer survivors through education, we invite you to join us in this impactful journey. Your support, in the form of tangible items, can make a profound difference in the lives of the scholars we champion.**

### **What to Donate:**

#### **Donate School Supplies!**

- ***Why it Matters:*** The average income of our top scholars is less than \$37,000 per year. Your contribution of critical educational supplies ensures that our scholars have the tools they need to graduate and succeed academically.

#### **Donate Gift Cards!**

- ***Why it Matters:*** Balancing academics, treatment schedules, and work can be overwhelming. Your gift cards for Starbucks, Target, or Amazon provide a welcome break and a moment of self-care for our scholars working hard towards their degrees.

#### **Give the Gift of Encouragement!**

- ***Why it Matters:*** Many of our scholars attend school while undergoing active treatment. Your fun gift items, such as blankets, candles, massage masks, comfy socks, workout gear, electronics, or anything to offer encouragement, can make a significant impact during challenging times.

#### **Donate a Trip!**

- ***Why it Matters:*** Vacation packages are among our most successful fundraising items. If you have a vacation home or trip you're not using, your donation can turn into opportunities for our scholars to relax and rejuvenate.

#### **Donate to Our Silent Auction!**

- ***Why it Matters:*** If your company can provide a gift basket, gift card, or services, we'd love to include you in our fundraising efforts. Your contribution directly supports our mission.

#### **Donate Airline Miles!**

- ***Why it Matters:*** Every year, we fly TRCF Scholars and their families in to be a part of our annual gala. Your donated airline miles help bring them together for this special event.

### **How to Make a Difference:**

Choose the option that resonates with you and aligns with your capacity to give. Your contribution, no matter the size, directly impacts the lives of these resilient survivors, helping them thrive in their academic pursuits despite the challenges they face.

**Together, let's make education a beacon of hope for teen cancer survivors.  
Your generosity creates a ripple effect of positive change.**
